#### Other Recommended Over-laminating Films

4-GL3A-10184 – LUSTER CLEAR AP970 50#

4-GL3A-10185 – MATTE CLEAR AP970 50#

#### Application

Please refer to our Technical Bulletin for specific technical details for the correct application and removal of the media.

#### Maintenance & Cleaning

Structured films are physically more sensitive than the unstructured one, it should be treated cautiously. Recommend manual car washing with non-abrasive cleaner. Do not apply waxes or polishes. Suggest the use of a medium power sprayer pressure and the power sprays must be perpendicular. Avoid hitting the edge at an angle with the power spray or it could result in lifting.
